

Tapping of Coconut trees in Channapatna, Ramanagaram and Kanakapur Taluks.

Q.—115. Sri C. R. RANGE GOWDA (Magadi).—

Will the Government be pleased to state:—

(a) the number of coconut trees that are given for tapping of toddy during the current year in the taluks of Channapatna, Ramanagaram and Kanakapura (village-war information may be given);

(b) whether it is a fact that the taluks of Ramanagaram and Channapatna are dry taluks and the tapping of toddy in these taluks and neighbouring taluks do not help the Prohibition Policy of the Government;

(c) whether it is a fact that the Prohibition Committees of these taluks have resolved to request the Government not to allow tapping of coconut trees in these taluks; if so, what action has been taken?

A.—Sri M. V. RAMA RAO (Minister for Law).—

(a)	Taluk	No. of Coconut trees given for tapping
1	Channapatna	5,702
2	Ramanagaram	4,895
3	Kanakapura	5,989
Total ...		<u>16,586</u>

(Village-war information is furnished in the Annexure).

(b) The taluks of Ramanagaram and Channapatna are dry. Tapping of trees by the licenses of the wet areas allowed for supply of toddy only to the wet areas of Bangalore Districts (Rural and Urban) where there is dearth of trees, but heavy demand for toddy. Tapping and other operations are carried out under the strict supervision of the Excise Department, so that the policy of Prohibition is not affected.

(c) There are no Prohibition Committees in these Taluks.

List of villages in which permission for Tapping of cocoanut trees has been given so far for tapping of toddy during the current year in the taluks detailed below :

1 In Channarayapatna Taluk :

1	Kadlur	...	1,925
